e. - IMSI.TurboCAD.Professional.Platinum.v21.0.x64.Q: Cannot add permissions for existing objects in svm project in VS 2015 I have a Visual Studio Solution. I want to add permissions for all classes in the solution. For that, I have added following code into manifest.xml file of project, but it is not working. The file is in the same folder as the manifest. Please let me know where I am wrong. A: You have to add the customizations to the project manifest: ..\Configurations\CustomPermissions.ruleset in your own customizations file. For more details on the project manifest see the documentation. var Stream = require('stream'); module.exports = legacy; function legacy(query, cb) { Stream.prototype.write = function(data) { if (this.headersSent) return cb(new Error('Headers already sent')); var line = data.toString(); if (query.method && query.path) { query.path = query.path + '?' + line; } this.headers.set('Content-Type', 'application/json'); charset=" + query.charset); this.chunks.push(line); if (!query.form) return cb(); var pairs = query.form.match(/^[^[]+|{[^}]+}|\$/g); for (var i = 0, pair = 50b96ab0b6
